**Basic Function:** Under the direction of the Chief Medical Officer, the Family Practice Physician provides medical services to clinic patients of all ages and within the scope of licensing, training, and privileging/credentialing.

**Essential Functions:**

1. Provides direct patient care to clinic patients as outlined in the physician's current work agreement. May provide medical services in local hospitals per their credentialing/privileging policies as directed by the CMO.
2. Elicits information related to the patient's medical history and records into the Agency's approved EMR/EHR system.
3. Examines the patient for symptoms or to determine physical information. Orders, interprets, and executes various tests and diagnostic images to provide information on patient's condition. Analyzes reports and findings of tests and examinations to present accurate diagnoses. Refers patients to medical specialist(s) for consultant services when necessary for further evaluation and treatment.
4. Conducts physical examinations to provide information needed for admission to school and consideration for jobs or sports activities, or for insurance eligibility. Completes paperwork for disability or time-off-from-work claims.
5. Administers or prescribes treatments. Prescribes medications, dosage and schedule in accordance with patient diagnoses, condition, and allergies.
6. Promotes health and wellness by advising patients about diet, physical activity, and hygiene along with methods for prevention of disease.
7. Performs surgical procedures with surgical competency when appropriate for specialty and training and after approved by CMO to perform such procedures.
8. Participates in peer review activities as directed by the CMO and advises management on performance deficiencies of medical providers and clinical auxiliary personnel.
9. Complies with CHC Standards of Conduct, Code of Conduct, and Corporate Compliance.

**Secondary Functions:**

10. Contributes to the training and proficiency of clinical personnel including medical students and residents.
11. Participates in community outreach activities such as health fairs, classes, and community events.
12. Uses PPE as appropriate.

13. Understands role in Disaster Plan and that safety is a condition of employment.
14. Follows CHC's policies and procedures.
15. Serves on various CHC and community committees as required/requested.
16. Attends meetings, seminars, and conferences as appropriate to ensure skills and knowledge remain current and requests CME time and reimbursement per current Agency policy. Completes required annual Agency training.
17. May travel to other sites to provide coverage.
18. Other duties as assigned.

**Minimum Qualifications:**

1. Ability to perform each essential function duty satisfactorily with or without reasonable accommodation. Reasonable accommodations may be made to enable individuals with disabilities to perform the essential functions.
2. Graduate of an accredited medical school with a current, unencumbered Arizona state license to practice medicine.
3. Valid DEA number.
4. Board Eligible/Board Certified by the American Board of Family Medicine.
5. Ability to become privileged/credentialed at CHC and if applicable local hospitals and credentialed with Canyonlands' contracted health plans.
6. Must not be excluded from participation in federal health care programs (as determined by the OIG).
7. CPR certified (BLS/ACLS).
8. Possess a valid driver's license.
9. Ability to read, write and speak clearly understandable English.
10. Good interpersonal and human relations skills are required. Must possess skills to empathize and care for a variety of patients, including low-income and diverse cultures and treat everyone (internal and external customers) with respect and dignity.
11. Is comfortable with the pace of primary care, working with an interdisciplinary team, and has strong communication skills.
12. Ability to maintain confidentiality at all times in all situations and follow the laws and intent of the most current HIPAA laws and regulations and Canyonlands' security and privacy policies.
13. Above average computer skills to operate and/or learn Agency's current EMR/EHR system.
14. Above average ability to quickly analyze, comprehend, and create written/verbal medical and business communication and documentation.

**Preferred Qualifications:**

1. Three (3) plus years of directly related clinical experience at a community health center.
2. Multi-lingual (English/Spanish/Navajo) language skills.
3. Extensive working knowledge of the NextGen EMR system. Knowledge of Microsoft programs with the ability to effectively communicate using Outlook.
