

Sliding-Fee Scale

Canyonlands Healthcare accepts all patients regardless of their insurance/financial status or ability to pay. We are a Federally Qualified Health Center (FQHC) which allows us to offer a wide range of primary care services to patients through a sliding fee program.

The sliding fee program is offered to all individuals. Eligibility for the program is based on family size and annual household income. Income guidelines and acceptable verification for the sliding fee program are listed below.

How do I qualify?

If you wish to qualify for the Sliding Fee you must show proof of gross annual income for all immediate family members living in your household. Gross income is all income from all sources before taxes. Applicants should provide a copy of either two consecutive pay stubs, or the previous year income tax return.
